

This Form 99 Miscellaneous Report is being filed in response to the September 25, 2009 letter from the FEC in connection with ANLA PAC's 2009 Mid-Year Report. Specifically, the FEC's letter raises a question regarding the ending cash balance of the Report. Although ANLA PAC shows a negative balance on its 2009 Mid-Year Report, ANLA PAC has not overdrawn its account nor has it incurred a debt. The negative balance appears as a result of certain information that appears to have been incorrectly disclosed on reports previously filed by ANLA PAC. ANLA PAC is conducting an audit of its past activities to identify the source of the discrepancy and we will contact the FEC once the source of the error is determined.
